General

This document was prepared as a result of work funded through the California Energy Commission. It does not necessarily represent the view of the Energy Commission, its employees, or the State of California.

Communities in Charge Staff and the California Energy Commission do not endorse or express preferential interest in the equipment listed below. The following chargers meet requirements needed for the Communities in Charge project. If you are interested in having your EVSE featured on this list please visit the Technology Eligibility Section.

Eligible Equipment

- ## Autel US Inc.
  - ### Autel – MaxiCharger Single Charger (Digital Display Version)
    - 1 connector
    - 12 kW
    - Certified for public use
      - Autel | MaxiCharger Single Charger (Digital Display Version)

  - ### Autel – MaxiCharger Single Charger (LCD Version)
    - 1 connector
    - 12 kW
    - Certified for public use
      - Autel | MaxiCharger Single Charger (LCD Version)

  - ### Autel MaxiCharger AC Pro
    - 1 connector
    - 19.2 kW
    - Certified for public use

- Autel | MaxiCharger AC Pro

- **Autel MaxiCharger AC Ultra**
  - 1 or 2 connectors
  - 19.2 kW
  - Certified for public use
    - Autel | MaxiCharger AC Ultra

Blink

- **Blink Series 780**
  - 2 connectors
  - 19.2 kW
  - Certified for public use
    - Blink | Series 780

- **Blink Series 880**
  - 2 connectors
  - 19.2 kW
  - Certified for public use
    - Blink | Series 880

ChargePoint

- **50A Dual Port, Wall Mount CP6023B-50A**
  - 2 connectors
  - 12 kW
  - Certified for public use

- 50A Dual Port, Wall Mount|CP6023B-50A

- **50A Single Port, Wall Mount CP6013B-50A**
  - 2 connectors
  - 12 kW
  - Certified for public use
    - 50A Single Port, Wall Mount | CP6013B-50A

- **80A Dual Pedestal Mount CP6021B-80A**
  - 2 connectors
  - 19.2 kW
  - Certified for public use
    - 80A Dual Pedestal Mount | CP6021B-80A

- **ChargePoint 50A Dual port, pedestal mount**
  - 2 connectors
  - 12 kW
  - Certified for public use
    - ChargePoint 50A | Dual port, pedestal mount

- **ChargePoint 50A Single port**
  - 1 connector
  - 12 kW
  - Certified for public use
    - ChargePoint 50A | Single port
